Dear Colleagues:

It's a pleasure to invite you and your companions to join a legal-study tour to Egypt that departs JFK airport, New York on February 12, 2009. Our tour includes a cruise down the ancient Nile River and visits the most important sites of ancient Egypt.

This is a repeat of the successful legal-study tour with the same itinerary where my former colleague, Judge Richard B. Klein, served as education leader, the role I will have on this trip.

The comprehensive program includes visits to Cairo, the ancient capital of Memphis, and a cruise down the Nile River aboard the Movenpick cruise ship. The trip will include many important sites in this most ancient of ancient lands. Among the places that you will visit are: Aswan, Kom Ombo, Edfu, Luxor, Karnak and Thebes. The details of the tour are spelled out in the enclosed brochure. Your cruise ship will have all you need for the river journey. However, while the rooms are ample, they are not as large as a Caribbean or ocean cruiser where much more time is spent on the ship rather than on shore sightseeing.

In addition to an extensive sightseeing program, we will have the opportunity to meet with fellow legal professionals in Egypt as part of the optional legal education program. Egypt had an advanced legal system going back over 5,000 years. We will have an opportunity to consider modern law in light of the early legal system of the civilized world, going back to King Menes who issued the law of "Tehut," god of wisdom, as a unified legal system for the country. We will note that thousands of years ago there was an "equal rights" amendment empowering women.

A summary of what is included follows:

- * Round Trip air transportation and air transportation in Egypt
 - * Daily meals
 - * Deluxe Hotel Accommodations
 - * Full Sightseeing Program
 - * Nile River Cruise aboard a Movenpick Nile River Cruise Ship
 - * Services Of A Fully Qualified Egyptologist During Sightseeing
 - * A CPC Tour Escort To Help You Throughout The Entire Program
 - * A sound And Light Show At the Pyramids
 - * All Meals While Cruising On The Nile River
 - * Lunch Or Dinner On The Land Part Of the tour.
 - * Meetings with Egyptian lawyers on the optional education program.
- (Please read the enclosed brochure for more information which will give you exact information about the itinerary and cost of the tour.)

We anticipate that the trip will qualify for at least 5.0 hours for Continuing Legal Credit for Pennsylvania, California and many other states. At the completion of the tour, those who choose to participate in the CLE programs and meetings with Egyptian lawyers will receive a certificate of attendance.

The Corporation for Professional Conferences has been leading legal study tours and study tours of other professionals for more than twenty-five years. Legal study tours have gone to Greece; China; Russia; France; Poland; the Czech Republic; Hungary; Morocco; South Africa; Thailand, Singapore and Bali; Chile and Argentina; Kenya and Tanzania and other places. The trips are designed to provide a balance between the sightseeing with the opportunity to discuss legal issues both with local professionals and among ourselves.

If you have any questions about the tour please contact the people at CPC at their toll-free number, 800-621-4414. They will be happy to speak to you about tour arrangements and general information. CPC, as a member, conforms to the regulations and practices of the Long Island Better Business Bureau. Please feel free to call me with any questions about the educational program.

We hope you will be able to join this tour and professional program. Your friends and family are welcome to join with you on this adventure. It will be of interest to non-lawyers as well as lawyers. I urge you to register soon as these trips do fill up.

Yours very truly,

During this comprehensive tour of the Egyptian Museum, we will be better able to understand all of the ancient sites and civilizations we visit during our Nile River Cruise. We will also have time to enjoy the famous Tutankhamen exhibit.

of alleyways, sanctuaries and courtyards). Later, we will travel on to the Luxor Temple, paved in silver in ancient times, it remains unforgettable today. Most interesting is the 97 foot high Obelisk of Queen Hatshepsut. This pink granite piece stands in the third court. As you pass through successive pylons and courts you travel back into time until you reach the oldest part of the temple - built by the Pharaohs of the middle kingdom.

Among the sights that we will see on the West Bank are: the Necropolis of Thebes, the Colossi of Memnon, the Temple of Queen Hatshepsut, the Valley of the Kings (with tombs dating back to the 20th Dynasty) the Tomb of Tutankhamun, smallest of the tombs in the valley and the tombs of Amenophis III and Ramses VI. We will also see the largest and most splendid tomb in the valley - that of Seti I. Nile River clay. This temple is well preserved and restored. The drawings within it are representations of a Pharaoh found in Egypt. Next, we sail to Edfu and visit the 2000 year old Edfu Temple (the temple dedicated to Horus, the falcon headed god) The temple is almost as it was, and is one of the the best preserved examples of Ptolemaic art in Egypt; and the best preserved of all Egyptian temples dedicated to Horus, the falcon headed god. On its walls are fine drawings of the New Years Day ceremonial procession. This evening we sail on to Kom Ombo. Tonight there will be a party aboard our cruiser.
